Dear Ms. Kiser and Mr. Sukys:

The Shasta Regional Transportation Planning Agency (Shasta RTPA) administrative amendment #2, enclosed, is approved and incorporated into 2007 California Federal Statewide Transportation Improvement Program (FSTIP).

This administrative amendment makes technical corrections to various projects as outlined in the letter dated February 9, 2007, from Dan Little, Executive Officer, Shasta RTPA. These changes are included and submitted by Shasta RTPA through the California Transportation Improvement Program System (CTIPS).

This amendment adheres to the procedures for FSTIP modifications and meets the definition of administrative actions. The addition of funds does not exceed 20 percent of the total project cost, does not affect air quality conformity, timely implementation of Transportation Control Measures (TCM's) or financial constraints, and does not result in major scope change.

Please address any questions on this amendment to Cathy Gomes of my staff, at (916) 654-3271.

Sincerely,

Office of Federal Transportation Management Program
